

# 2013 APPORTIONMENT REPORT

## BLESSED TO BE A BLESSING

Apportionments are the funds United Methodist congregations contribute as part of a connectal church, realizing that we can do more meaningful ministry together than we can individually. Churches in the Baltimore-Washington Conference contributed 90.9 percent of the 2013 budget, raising a total of \$13,937,166, which was about \$248,000 short of funds needed for the apportioned budget. We thank the 524 churches who paid 100 percent, enabling vital mission and ministry.
